Yes, we fell in love in the sixth grade
Growing stronger in each passing decade
Sue, you have been here since the very start
Love of my life, you captured my heart

You raised our children, built our home
A life of pure love, where we've grown
Franklin County's seen our love unfold
You're the most beautiful, worth more than gold

Archie, and Sue, a duo so true
55 years, and our love is like new
I've never seen another like you
Beautiful, fragile, fierce, and loving too

You, my little woman, always true
Our love, yes our love, Archie and Sue
A lifetime of pure love, never blue
Through thick and thin, I'm always with you

From dancing barefoot at Big Eddy
Kissing under moonlight at Ole Cherry Bend
Nights on the Mulberry, memories extend
The Davis Family, a love that won't end

Archie, and Sue, a duo so true
55 years, and our love is like new
I've never seen another like you
Beautiful, fragile, fierce, and loving too

Cruising highway 64, on Friday nights
A&H Cafe, Coley's store, Old Bridge Lights

Haddock, and Shaffer's Department Store
Old Wire Road, memories we adore

Grandma Tennessee Turner, The Russell's too
through the years our family's love grew and grew
A lifetime of memories, tried and true
In this great journey, just Archie and Sue

Archie, and Sue, a duo so true
55 years, and our love is like new
I've never seen another like you
Beautiful, fragile, fierce, and loving too

My husband, my hero, my hardworking man
Grateful for this life, we go hand in hand
We are one, I can't take my eyes off of you
Archie and Sue, a love forever true
