

The End

Lyricist: Timothy McNemar

Jesus my Savior my soul belongs to you
And these words are a testament
to what I know now is the truth
that you were sent from heaven
to save me from my sin...
Oh, Jesus, You'll love me till the end

Lord I know that I'm unworthy
but you love me anyway
You touched and healed my hurting
and I'll never be the same
how could I ever thank You
tell me where would I begin
oh, Jesus, You'll love me till the end

Till I hear the angel shouting
till I hear the trumpets roar
Lord I'll be here waiting
and I'll thank you more and more
for all the many blessings
for being my best friend
oh, Jesus, You'll love me until the end

Lord i know that I'm unworthy
but you love me anyway
You touched and You healed my hurting
and I'll never be the same
how could I ever thank You
tell me where would I begin
oh, Jesus, You'll love me until the end
oh, Jesus, You'll love me until the end
... yeah, Jesus, You'll love me until the end...
